

## STARK PAVEMENT CORPORATION

### **Traffic Control/Flagger**

Individual will be required to perform job related duties under the direction of the Foreman.

The Flagger will be responsible for performing traffic control duties and maintaining roads in accordance with all safety regulations and procedures.

Candidate will perform traffic control and flagging activities as needed by following safety rules and regulations on all work zones and flagging sites, including placing signs, barricades, traffic cones and other warning devices; duties may vary according to job assignment.

Other job duties include but are not limited to:

- Lift, carry and place traffic cones to ensure the safety of the work zone. Lifting may be up to 50 lbs.
- Lift, carry, place and assemble traffic control signs in the proper order to manage work zone traffic.
- Operates pickups and flatbed trucks (not requiring a commercial driver's license), and miscellaneous hand tools in accordance with all safety regulations and procedures.
- Performs other related duties as required and assigned.

Candidate must have a valid driver's license and a satisfactory MVR, be a team player, and possess a positive work attitude.

Additionally, the candidate must have the ability to work a minimum of 20-to-40-hour work weeks, 12 hour days, weekends and/or alternate shifts, be available between 6:00 AM and 6:00 PM, Monday through Saturday, have a phone number where messages may be left, and the physical ability to work in extreme weather conditions.

This position is covered under a Collective Bargaining Agreement.

Selected individuals will be required to take and pass a pre-employment drug screening.

How to apply to be considered for this position:
